

REMARKS

In a first preliminary amendment, Applicant canceled claims 2 - 37. Further, Applicant has now canceled claim 1 and presents new claims 38-62 to facilitate prosecution in accordance with U.S. patent practice. Applicant has additionally amended the Specification to add headers for each section of the application. Support for the amendments and new claims can be found throughout the specification, drawings, and claims as originally filed, and no new matter has been added.

Applicants respectfully request that this Second Preliminary Amendment be accepted and entered before examination of the present application on the merits.

Please charge any additional fees due or credit any overpayment to Deposit Account No. 13-1816.

Respectfully submitted,
